

“Letters of Clarification”

with Ralph Earle Ph.D., ABPP & Ken Wells, MDiv, MA, LPC, LISAC, CSAT

Preparing a letter of clarification regarding offending behavior in a relationship involves a process of cultivating deeper empathy between two people who have hurt each other. It is an attempt to help “unbrainwash” each partner who has been victimized by the destructive behavior of the other. Experience the power of healing through this in-depth reconstruction of betrayal behavior.

Participants will be able to:

1. Learn how to help each relational partner identify his or her contribution to intimacy disability in the relationship.
2. Help each partner to recognize their offense cycle and appropriate interventions.
3. Gain understanding of the power of clarification in paving the way toward healing and forgiveness.
